

Rising 3rd Grade Summer Reading Required

Cathedral Academy is continually trying to raise the academic level of our students. One way to do this is to keep their minds engaged over the summer. Each rising 3rd grader is required to complete this summer reading assignment. The completed assignment will be graded as a Reading test and will be included in quarter one. Students are to read the following book and complete the questions below in complete sentences. Students are responsible for using the public library, purchasing their own book, or borrowing a book from a classmate. We do *not* have copies of the books at the school.
