

Fees

New students will pay an application fee of \$100, due with the Student Application. Upon acceptance, a \$200 enrollment fee is due. Students will not be placed in classes until the enrollment fee is received.

Tuition

The monthly payment is simply the tuition divided by eleven or ten, depending on the plan you select. Book fees are included in tuition; a few upper school classes do have a small materials fee.

FACTS Management

Monthly payments must be made via electronic funds transfer to FACTS Tuition Management. Parents may choose to have payments drafted on the 5th, 15th, or 20th of the month. The annual fee for this service is \$45 per family. Each student must be signed up for FACTS by **June 15** in order for the July payment to process. Students will not be able to begin classes in August until the family is enrolled in FACTS.

Fees, Tuition, and Extension payments are non-refundable and non-transferable.
