## **BRIEF HISTORY OF CATHEDRAL ACADEMY**

Cathedral Academy was founded in 1999 as a ministry of Cathedral of Praise Church. The students enjoy the pursuit of excellence in the school's warm and caring atmosphere. Cathedral Academy is governed by a Board of Directors which is appointed by the management staff of Cathedral of Praise. Mike Lewis, pastor of Cathedral of Praise, is the President of the Board of Directors and the Head of Schools serves as its Chief Executive Officer.

## **STATEMENT OF FAITH**

We believe that Scriptures of the Old and New Testaments are inspired by God and inerrant in the original writings, and that they are of supreme and final authority in faith and conduct.

Accordingly, based on Scripture:

We believe the Bible is the inspired Word of God. We believe there is one God who reveals Himself in three separate and distinct personalities: the Father, the Son, and the Holy Spirit.

- We believe mankind was created good and upright but, by voluntary transgression, fell and is now separated from God, lost, and without hope. We believe Jesus Christ is God in the flesh, fully divine and fully human. We believe that through the shedding of His blood at the crucifixion, Jesus made salvation and His righteousness available to all who will believe, thus bridging the gap between God and mankind.
- We believe Jesus died, was buried, and rose bodily from the dead (The Resurrection). We believe that after The Resurrection, Jesus ascended to the Father and is presently engaged in building Heaven and interceding for people.
- We believe Jesus will return to this earth to take His Church (those who believe in Him) to Heaven and will judge the world. (It is not necessary that we all believe alike concerning whether He is coming before, during, or after the Great Tribulation.)
- We believe salvation comes by repentance for sin and a heartfelt faith in the Lord Jesus Christ, resulting in regeneration of the person. This salvation is entirely by the grace of our Lord, not of works. Works are excluded except as evidence of salvation.
- We believe Water Baptism and the Lord's Supper are the two Ordinances of the Church. We believe Baptism by immersion in water in the Name of the Father, Son, and Holy Spirit is a symbol of identification with Jesus Christ in His death, His burial, and His resurrection. We believe the Lord's Supper is a memorial to the death, resurrection, and Second Coming of our Lord Jesus Christ.
- We believe that all believers should seek, as the early disciples did, to live a life separated from the evils of the world and unto Christ. Their standards of conduct should honor our Lord and His Church.
- We believe the Bible clearly teaches eternal separation from God for the unsaved and eternal glory and service for the saved

## **CATHEDRAL ACADEMY PHILOSOPHY**

**The opportunity for educational training, from kindergarten through high school, is provided from a distinctive biblical foundation and perspective. The true nature of life, the study of every subject, and all extracurricular events are viewed in relation to God and His inerrant Word. Cathedral Academy adheres to a standard of academic excellence in providing an education that honors Christ and reflects a commitment to God's Word. The educational process is measured by the criteria stated in Luke 2:52.**

Cathedral Academy's educational process and commitment, both in and out of the classroom, is directed to the development of Christian students to enable them to interpret the different aspects of their educational experience into Christian living. Sharing the gospel to students and parents is an important part of Cathedral Academy's educational experience. The primary goal is to provide an educational opportunity for Christian students, with the students and parents agreeing to comply with the Missions and Beliefs set forth in the Belief Statement. Cathedral Academy is also committed to advancing Christian education in our community and region.

Staff selection is based upon the criteria consistent with promoting the purpose and goals of Cathedral Academy, all the while providing a model for Christian living.

Cathedral Academy follows the premises of "Kingdom Education", a lifelong, Bible-based, Christ-centered process of leading a child to Christ, building a child up in Christ, and equipping a child to serve Christ. Students will think from a biblical worldview as they launch into God's plan and purpose for their lives. Cathedral Academy views Christian education, not as an alternative to public education, but as a biblical mandate and fulfillment of Deuteronomy 6:7-9. Our desire is to "partner with parents" as an extension of the home in the development of students spiritually, academically, physically, and socially.

**Luke 2:52** *"And Jesus increased in wisdom and stature, and in favor with God and man."*

**Deuteronomy 6:7-9** *"And thou shalt teach them diligently unto thy children and shall talk to them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes. And thou shalt write them upon the posts of thy house, and on thy gates."*

## **OUR MISSION STATEMENT**

**Cathedral Academy partners with families to provide a quality academic, biblically based education to equip both parents and students to impact their culture for Christ.**

## **OUR VISION STATEMENT**

**Cathedral Academy is a Christian school providing Biblically based education so that future generations will know God's truth, remember His works, and not live by the world's philosophies.**

## **OUR CORE VALUES**

As Cathedral Academy endeavors to fulfill its mission and realize its vision our ministry is characterized by the following school and staff commitments:

### ***TRUTH***

The Bible is the inerrant Word of God that gives directions in every aspect of life. (2 Timothy 3:16)

### ***CHRIST-LIKENESS***

Whoever claims to live in Him must walk as Jesus did.

(1 John 2:6)

### ***CHRISTIAN FAMILY***

The Christian family is God's training ground for preparing generations to know and serve Jesus Christ. (Deuteronomy 6:6-9)

### ***CHURCH***

The church has been and always will be the instrument of God to fulfill God's purposes on earth. (Acts. 2:42-47)

### ***QUALITY EDUCATION***

"Train up a child in the way he should go and when he is old, he will not depart from it." (Proverbs 22:6)

"And Jesus grew in wisdom, and stature, and favor with God and man." (Luke 2:52)

### ***STEWARDSHIP***

Every aspect of the educational program must be considered a stewardship responsibility from God so that a Biblical legacy will be successfully passed from one generation to the next. (Psalm 78:6)

### ***SERVICE***

Whoever wants to be great among us must be a servant.

(Matthew 20:26-28)

## **KINGDOM EDUCATION DEFINITION**

Kingdom Education™ is the lifelong, Bible-based, Christ-centered process of:

Leading a child to Christ,  
Building a child up in Christ,  
Equipping a child to serve Christ,  
Causing the child to know God and give Him glory!

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act of 1974 (Public Law 9-380) is applicable to any school which is the direct recipient of federal funds. This law provides for limited accessibility to the student's records by the person who has legal responsibility for the student, for the right to challenge any misleading or inaccurate information contained in the student's records, for the necessity of obtaining a written permission from the "eligible student" - one who is 18 years of age or older, or from the person who has legal responsibility for the student prior to revealing the contents of the student's records to other parties, and for the right of "eligible students" and/or those legally responsible for the student to be notified of their rights under the prescriptions of this law. In order to comply with the prescriptions of this law, Cathedral Academy employs the following policies:

1. To secure the student's and the family's right of privacy within the school, only the administration and designated school personnel, in the fulfillment of their respective functions, may have access to the student records.
2. Outside of the school community, only the person(s), usually the parent(s), who has legal responsibility for the student may have access to the student records. Any parent or adult student desiring to inspect their records shall address the request to the Administration in writing. Such a request must be honored within fifteen days. All tests and evaluations will be translated into meaningful terms and emphasis is to be placed upon the relationship of all known factors influencing the educational development of the student. When actual inspection of a child's file is made, this will be recorded on a log sheet kept at the front of each child's cumulative folders. On this log sheet the following information is to be recorded: date of visit, name of person examining records, name of student's record folder that was examined, initials of personnel handling conference.
3. The school will not release the information contained in the student's records to other parties without the prior written consent of the person legally responsible for the student. This written consent is accorded by the school's record release form.
4. According to the law, the school is authorized to release the information contained in the student's records without permission to certain federal, state, and local authorities in the performance of their functions and to the court or law enforcement officials, upon the issuance of a subpoena or court order.

## **NON-DISCRIMINATORY POLICY**

*Cathedral Academy admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national, and ethnic origin in administration of its educational policies, admissions policies, tuition assistance programs, or extra-curricular and other school-administered programs.*

## **COMPUTER/INTERNET/WI-FI USAGE**

With access to computers and to people all over the world also comes the availability of material that may not be considered of educational value in the context of a Christian school setting. An Internet filtering system as well as monitoring software is in place, and teachers continue to make an effort to select appropriate electronic resources and guide students toward course-appropriate materials. However, on a constantly changing global network, it is impossible to control all materials, and inappropriate materials may still be accessed. **Social networking sites such as Facebook, Pinterest, Twitter, Instagram, Snapchat etc. are not permitted on any Cathedral Academy computer.**

Cathedral Academy students using the Internet will do so primarily in computer labs and some limited use in classroom areas where the teachers will be responsible for supervising and orienting students about effective and appropriate use. Students, who wish to use the Internet for independent research when they are not with a class, must do so with a teacher in the room. Personal laptops, I- pads, or other electronic tablets may not be used during breaks, lunch or any other time during the school day without the permission and presence of an instructor.

Listed below are the terms and conditions for acceptable student Computer/Internet/Wi-Fi use:

- I understand that using the Internet/Wi-Fi at Cathedral Academy is a privilege and not a right. If I abuse the privilege, my access to the Internet may be suspended or terminated.
- I understand that Internet access is intended for use with school projects. I will not use the Internet/Wi-Fi for personal or recreational purposes.
- I understand that I may not visit any sites that show inappropriate sexual information, or information that is racist, discriminatory, hateful, and violent in nature or displays un-Christ-like behavior.
- I understand that use of the Internet/Wi-Fi to send or receive personal e-mail is prohibited, except in special circumstances where an instructor has given me permission to access a personal email account for a schoolwork-related reason.
- I understand that I may not use the Internet/Wi-Fi to download or share copyrighted materials.
- I understand that I may not use the Internet/Wi-Fi to participate in chat rooms, bulletin boards, or games.
- I will log on using only my own username and password.
- I understand that I may not change or destroy—or attempt to change or destroy—any network settings on school computers or any other person’s data on the network, nor will I change any default settings: desktop screensaver, etc.
- I understand that I must not reveal my password or those of other students.
- I understand that I am not to use any school computers unless an instructor is present and with his or her permission.
- I understand that all school computers can and will be electronically monitored and/or electronically recorded by Cathedral Academy staff, and there is no expectation of privacy.

## **MEDICAL INFORMATION**

### **COMMUNICABLE AND INFECTIOUS DISEASES**

Cathedral Academy wants to maintain a healthy school environment by taking steps to prevent the spread of communicable diseases. The term “Communicable Disease” means an illness which arises as a result of a specific infectious agent, which may be transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons.

Any student with a communicable disease for which immunization is required or is available, will be temporarily excluded from school while ill and during recognizable periods of communicability. Students with communicable diseases for which immunization is not available will be excluded from school while ill. If the nature of the disease and circumstances warrant, Cathedral Academy may require an independent physician’s examination of the student to verify the diagnosis of communicable disease. Cathedral Academy reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable disease within the school.

Any child who is diagnosed as carrying a disease classified as “communicable” is not allowed to become or remain a student at Cathedral Academy as long as the disease is present. Once the school has written verification from a physician that such a child has become disease free, he may be considered for enrollment or re-enrollment at Cathedral Academy. This policy applies to, but is not limited to, all diseases that may be sexually transmitted, including Acquired Immunodeficiency Syndrome (AIDS). For school purposes, any student testing positive for antibodies to the AIDS virus is considered to be infected with the virus. Cathedral Academy believes that these measures serve to minimize the further spread of diseases.

### **COMMUNICABLE CHILDHOOD DISEASES**

When diagnosed with any of the following diseases, a child must have written consent from either a physician or the Health Department to return to school, or be subject to school office approval for re- admittance:

- |                   |              |                     |

| 3. Mumps          | 8. Ringworm  | 13. Mononucleosis   |
| 4. Pneumonia      | 9. Impetigo  | 14. Fifth’s Disease |
| 5. Whooping Cough | 10. Pink Eye | 15. Meningitis      |

### **FIRST AID PROCEDURE**

1. First aid treatment will be administered to stop bleeding, restore breathing, or prevent shock or infection, up to, and including, CPR.
2. Parents will be notified immediately. If they cannot be reached, efforts will be made to find out which physician is to be secured or where the child should be taken. This information must be completed on the ***Emergency Information Card*** and will be on file in the school office for each student in case the parents cannot be reached.
3. A representative of the school faculty will stay with the child until the parent assumes responsibility.
4. Internal medication will be given only by or on the order of a physician.

**ILLNESS**

For the well-being and health consideration of all our students and staff, parents are asked to keep home any student with a fever and/or a contagious illness. Upon return to school, students must bring in a signed note from the parent stating the reason for the absence. It is the policy of Cathedral Academy that a student must stay home with:

- |   |   |
|---|---|
| 1. Fever (24-hours free without medication) | 7. Strep Throat (24-hours on medication)                            |

**IMMUNIZATIONS**

South Carolina state law requires Cathedral Academy to have on file current immunization records recorded on SC DHEC Form 2740 and medical records for each student. It is the responsibility of parents to keep up-to-date records in the school office.

**MEDICAL APPOINTMENTS**

If it is necessary for a student to leave early for a medical appointment, a written request must be sent to the student's teacher in advance. No student will be released to anyone other than those authorized by the parent.

**MEDICAL EMERGENCY PROCEDURE**

Each student's file must include a completed ***Emergency Information Card***. If a child becomes ill at school, the parent will be notified as soon as possible. If the parent cannot be reached, the emergency information will be used. If there is a change in this information, the parent is responsible for contacting the school office in writing. An emergency contact person and alternate number to call, if you cannot be reached, are very important. Please make sure your emergency contact has written permission to obtain medical treatment for your child in case of an emergency.

**MEDICATION POLICY FOR PRESCRIPTION DRUGS**

In order to follow DHEC regulations, we can only accept medication that is in an appropriately labeled prescription bottle. Medications must be brought to the school by the parent in the original containers with original labels intact. (Most pharmacies will divide medications and provide additional containers upon request for this purpose.) Over the counter (OTC) medication, including Tylenol, cannot be administered without a prescription label and must be administered by a member of the faculty/staff.

1. The parent must furnish the medication
2. The parent must complete a ***Medication Release Form*** indicating the date, dosage, and time to be administered.
3. Students may not carry prescriptions or OTC medications on their person without expressed written permission from their physician, parents, and the administration. (Example: inhalers and epi-kits.)
4. A form, available in the school office, must be filled out by the Physician before medicine can be administered.

## **AFTER SCHOOL & GAP (Generals After School Program)**

### **AFTER CLASS HOURS ON CAMPUS**

Cathedral Academy encourages student participation at school-sponsored activities; however, the school cannot be responsible for students after the official school hours.

Students who remain on campus for a specific school event or activity must remain at the site of the activity for safety and security reasons. Students and parents should know in advance the time and the place of the activity and the expected time of completion. Parents are urged to be with their children at all school events.

Students are not permitted to enter or simply “hang out” in any building or at their vehicle after school hours. Students found in any room, building or parking lot area without administrative permission or supervision will be subject to disciplinary action.

### **AFTER SCHOOL SUPERVISION/GAP SERVICES**

This measurement will be one that will attempt to recognize students who are working up to their capacity while pursuing excellence in all relationships - spiritual, academic, social, and physical.

## ATHLETIC DEPARTMENT GUIDELINES

### STATEMENT OF PURPOSE

Cathedral Academy is committed to the whole student – Body, Soul, and Spirit. The Athletic Department recognizes its role in this process. While a sports program necessarily focuses on physical health and agility, the Athletic Department at Cathedral Academy steadfastly holds to and reinforces vigorously the Academy Mission Statement.

### ATHLETIC FEES

Students that participate in athletics at Cathedral are required to pay an Athletic Fee. These fees are billed upon receipt of the roster from the coaches of the various sports. The fees go towards helping to offset the costs of the sports including coaches, field and court maintenance, jamboree and tournament entry fees, officials, and safety equipment.

The cost for each participant is by sport. **Football: \$150.00 All others: \$100.00**

### ATHLETIC POLICIES

Cathedral Academy is committed to helping our students learn and grow as followers of Jesus Christ. Learning to serve and sacrifice in humility and to develop good work habits will help them grow in character, wisdom and discernment.

Athletic and physical activity is an integral part of a student's development. The Academy encourages students to participate in some form of physical activity every day. As part of Cathedral Academy's mission of developing a balanced lifestyle, Upper School students are encouraged to participate in whatever sport is in season rather than to specialize in one sport for the entire year. A student should discuss athletic participation with parents and coaches prior to embarking upon the rigorous schedule required for sporting events. Parents of student athletes are expected to serve in all activities sponsored by the Athletic Department, including volunteering in the concession stand, at the ticket gate, or wherever parent volunteers are needed.

To be eligible for practice or participation in interscholastic athletic contests, a student must have a medical examination by a physician once every 365 days. A special form (***Cathedral Academy Athletic Form***) is available in the Athletic Office and on the school Website. This form must be properly completed, signed, returned, and placed on file in the Athletic Office prior to the student's participation in any sport.

*All financial obligations with the school must be kept current to be considered eligible to be an active member of a CA athletic team.*

Students **are not** allowed to drive themselves to any away contests, nor are they allowed to transport fellow teammates to or from contests.

Annual Sports physicals are required for all athletes in competitive sports **prior to the first day of practice.**

Students are expected to display a proper attitude of sportsmanship toward teammates, coaches, opponents, fans, and officials regardless of winning or losing the contests.

**PROGRAM GOALS**

The Academy maintains a program of interscholastic competition for boys and girls in grades 5-12 through our membership in SCISA Athletics. It is the goal to train student-athletes to compete. Therefore, as the coach deems the student-athlete ready, they will play them. There is, however, no guarantee that each student will play an equal amount of time in every game.

As a member of a team each student will:

- receive instruction that helps develop his/her ability to compete for God's glory.
- honor team rules and guidelines
- pledge to be on time and attend practices, meeting, programs and fundraisers sponsored by the team
- pledge to dedicate themselves to the Cathedral Academy sport team for which they chose to play
- communicate to the coach, when they will not be in attendance to practices, meeting, programs and fundraisers sponsored by the team
- be disciplined and trained in leadership.
- be encouraged to promote Cathedral spirit, unity, and pride.
- be encouraged to demonstrate Christian character on and off the field of competition.
- be encouraged to abide by the Code of Conduct and Ethics of Cathedral Academy and SCISA.
- be prepared to compete for SCISA State Championships.
- be equipped to vie for NCAA, NAIA, NJCAA, and NCCAA athletic scholarships.

**ELIGIBILITY**

Any student who wishes to participate in interscholastic athletics must meet these criteria:

1. have a current ***Sports Physical Form*** on file in the Athletic Office on or before the first day of practice for any sport.
2. meet academic and attendance standards set forth by Cathedral Academy and SCISA (see Academic Eligibility below).
3. meet behavioral standards set forth by Cathedral Academy.
4. be enrolled as a student and be current on ALL financial obligations to CA.

**ACADEMIC ELIGIBILITY**

Academic performance will be reviewed every 4 ½ weeks to determine athletic eligibility.

- Students with an F average in one class or a D average in two or more classes will be on academic probation starting one week from the review and continue for the following 4 ½ weeks.
- During the probation period, students may attend team practices, but they will not be able to dress out or participate during the game.
- During the probation period, students are also expected to attend tutoring and actively engage with the teacher to improve their grade.

At the end of the 4 ½ week probation, grades will be reviewed again to determine eligibility going forward. Probation will be lifted starting one week after the grading period.

**CODE OF CONDUCT AND ETHICS**

It is the duty of all concerned with athletics at Cathedral Academy to consider:

**OUR SPEECH**

Colossians 4:6 *“Let your speech always be with grace, seasoned with salt...”*

1. Questionable language or “slang” words will not be tolerated. The student athlete will never engage in any language that can be termed “trash talking” or use profanity or questionable slang.
2. The student athlete will address the coaches and officials with respect. The student athlete will address the coach as “Coach” or “Mr., Miss, or Mrs.” and will take concerns or complaints directly to him or her. Insubordination and divisive speech or behavior will not be tolerated. The student athlete will address officials as “Sir” or “Ma’am.”
3. Never criticize the officials or coaches. These people represent the authority figure, “boss”, parent, teacher, and “Law.” Obedience to authority is not optional and is not predicated on whether or not you agree with it. All authority is God- given and disobedience to authority is disobedience to God.

**OUR RELATIONSHIPS**

John 15:12 *“This is my commandment, that you love one another as I have loved you.”* Thus we commit to:

1. Develop relationships and a good rapport with teammates and coaches. God has placed you in this situation for a purpose. You have an opportunity to develop life-long friendships. If sports become all about you, you need not participate.
2. Develop relationships and a good rapport with classmates. Do not attempt to set yourself upon a pedestal. Your classmates will not respect or support you.
3. Develop relationships and a good rapport with students from other schools. Never miss an opportunity to share Jesus Christ with others.

**OUR UNITY**

I Corinthians 12:12-13 *“For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ. For by one Spirit we were all baptized into one body...”* Thus, we strive to:

1. Develop unity within the team. *“It is amazing what can be accomplished when no one cares who gets the credit.”* John Wooden
2. Develop unity within our school family. God has called each one of us to this school. Each of us has different abilities and, therefore, different roles. Never be jealous or envious of someone else’s role. Be busy fulfilling your role.
3. Develop unity within the Kingdom. We must establish our philosophy with other schools in order for our ultimate purpose to be met – to further the Kingdom of God. It will take other Christian schools being successful. Pray for them as you pray for Cathedral Academy.

**OUR MOTIVES**

I Corinthians 10:31 “...do all to the Glory of God.” Be motivated by the love of God. Athletes must live for Him because He died for us.

1. Strive for victory in order to glorify God. Athletics is just a means to an end and not an end unto itself.
2. Demonstrating Christ in our lives by abiding by the rules of the game in letter and in spirit. Tactics that promote unfair “gamesmanship” will not be tolerated.
3. Committed to excellence. All areas – faith, practice, academics, and game preparation must reflect a commitment to excellence.
4. **Play and act like a CHAMPION!**

**OUR BEHAVIOR**

I John 2:6 “He who says he abides in Him ought himself also to walk just as He walked.” Thus our obligation is that:

1. The athlete will maintain a good reputation. The athlete’s character must be in good standing with the administration, faculty, staff, and church.
2. The athlete will meet all eligibility requirements.
3. The athlete will know and understand all requirements. The athlete must know all of the expectations of their team and will follow them both in action and in spirit.
4. The athlete will show respect for all coaches, trainers and all staff personnel. This includes the game plans, methods, and philosophies.
5. The athlete will show respect for their teammates. The athlete must respect the seriousness of their commitment by attending all practices, meetings, and games as prescribed at the beginning of the season and by working together to accomplish a common goal. Help to hold your teammates accountable for their actions.
6. The athlete will maintain a high standard of appearance. Both in and out of the arena the athlete must adhere to the strictest interpretations of the school dress code and the team dress and uniform code.
7. The athlete will demonstrate Christ-like character. It is expected that both in and out of the arena respect will be shown in speech and actions for game officials, opponents, and all those associated with our opponents.
8. The athlete will never engage in fighting. The athlete must maintain self-control at all times. Unsportsmanlike conduct penalties will not be tolerated and will be penalized. Penalties include, but are not limited to, suspensions or dismissal from the team.
9. The athlete will know and understand our philosophy. The athletes must respect the eternal effects of their speech and actions as they represent themselves, their families, their school, their church, and ultimately their Lord and Savior, Jesus Christ.

Article XIII – Section 1:

**SCISA Code of Conduct**

PHILOSOPHY: The South Carolina Independent School Association believes that interscholastic athletics are an integral part of the total educational program. High standards of behavior, scholarship, and citizenship are important to a sound athletic program. Students volunteering to participate in athletics must assume the responsibilities of this privilege and are required to meet these expectations. Moreover, adults shall be models of good sportsmanship and will lead by example by demonstrating fairness, respect, and self-control. Athletes, coaches, officials, and fans shall always conduct themselves in a reasonable and sportsmanlike manner. Each person will be responsible for his/her words and actions at all SCISA athletic events and will need to follow the standard set by the Code of Conduct.

**SCISA Eligibility Rules: Student**

*Please note - these are the SCISA eligibility guidelines, however, Cathedral will follow the Athletic eligibility guidelines as listed in the Athletic Department Guidelines.*

Article VI – Section 1:

**ACADEMIC REQUIREMENTS:****ACADEMIC ACHIEVEMENT IS A PREREQUISITE TO PARTICIPATION.**

- A. A student in grades 9-12 must take and pass at least four (4), one-unit CORE Courses or any five (5) one-unit courses, each grading period (6/9/12 week) or semester to be eligible. Students below the 9th grade must pass four (4) subjects each grading period/semester. A senior who has met or is meeting all requirements for graduation must pass four (4), one-credit courses each marking period/semester. *Note: A student must have earned 4 core units or any 5 units of credit to be declared eligible at the start of a school year. Also, courses taken during the school year by the “Home School” method are not eligible for athletic eligibility determination. “Virtual school” course will be considered on a case by case basis and must receive prior approval.*
- B. Any student who did not receive credit for at least one-half of all courses taken the previous school year cannot be declared eligible until after the successful completion of the 1st semester. A Maximum of Two Credits earned during summer sessions may be accepted from an accredited school with an established summer school program.
- C. A student may use college credit courses for eligibility purposes provided the student has met or is meeting all requirements for graduation. A maximum of One (1) Correspondence Course per school year may be used for eligibility purposes.
- D. A One Credit Course is a course taken for 36 weeks, one period each day for a minimum of 45 minutes. A course taken each day as above for 18 weeks would be a half credit which when combined with another half credit course would be the equivalent of a one credit course. A course taken for 36 weeks but only three, 45-minute periods each week would not be a one credit course. *Note: A One Credit Course taken for 18 weeks, shall meet for one period each day for a minimum of 90 minutes. Dual Credit Courses are treated as one half of a Carnegie unit.*
- E. Core Courses: Those courses in English, Mathematics, Science, Social Studies, Computer Science and Foreign Language that are recommended by the Commission on Higher Education and are common to SCISA schools.
- F. Eligibility is to be declared on the fourth (4th) school day after the end of the marking period. A student shall become eligible or ineligible at 12:01 AM on the fourth school day after the end of the marking period. *Example 1: The marking period ends on Friday. Student X becomes eligible or ineligible at 12:01 AM on Thursday. Example 2: The marking period ends on a Monday and Tuesday is a holiday for students. Student Y becomes eligible or ineligible at 12:01 AM on the following Monday.*

Article VI – Section V:

**STUDENT ELIGIBILITY BELOW GRADE 9**

- A. Students below the 9<sup>th</sup> grade must pass four (4) subjects each grading period/semester to be eligible for the next grading period.
- B. A student must have passed the previous school year to be eligible for athletic participation in the first grading period.
- C. A student who repeats a grade below the ninth grade after having passed that grade would not be eligible during the year that is repeated. A waiver may be considered following the presentation of appropriate academic documentation detailing the school’s recommendation for repeating the grade.
- D. All students must comply with the age requirements and grade level restrictions for each level of competition.

## KINDERGARTEN

### ATTENDANCE INFORMATION K4 AND K5

To keep accurate records and to emphasize the importance of school attendance, CA has adopted the following guidelines:

- CA requires parental communication for all absences. This communication needs to be received by the end of the missed day. A physician's excuse is preferred when applicable. Parents should contact the administration if unusual circumstances occur
- Attending a school-sponsored trip is credited as a regular school day, and absence from a field trip will be counted as a missed school day.
- A student is considered absent for the day if they arrive after or depart prior to 11:30 a.m.
- After **twenty absences** per year for any reason, excused or unexcused, makeup work will no longer be provided. Parents should contact the principal if unusual circumstances occur.
- Making up work is the responsibility of the student and parents, not the teacher.
- Excessive absences may affect the student's promotion to the next grade level or ability to re-enroll at Cathedral Academy.
- Parents should contact the principal if unusual circumstances occur.

#### Parent Initiated Absences for Kindergarten

Parent initiated absences are requested by the parent for occasions such as family trips and non-school sponsored events. These absences should be requested by the parents, in writing, directly to the teacher at least one (1) week in advance. Without this prior notice, makeup work will not be provided in advance. The only exceptions to this policy will be in cases of death or family emergencies. In such cases, parents should contact the teacher as soon as possible. Parent initiated absences are not recommended for students with low grades. Makeup work is due upon arrival back to school.

#### Make-Up Work for Unplanned Absence

- Communication for unplanned absences is required the day of the absence, and parents should make every effort to communicate expected number of days out.
- Parents and students are responsible for communicating with teachers on the best way to receive and make up missed work.
- The time frame for making up work will be per the individual teacher's instructions.

#### Tardiness

- When a student is tardy to school, it is disruptive to teacher planning and the student misses important announcements and planning for the day.
- A student arriving to school after 8:00 a.m. must sign in at the receptionist's office in C Building.
- After 5 unexcused tardies per semester, parents will receive a behavior notification via RenWeb advising them of the excessive tardies.
- After 10 unexcused tardies per semester, parents will receive a second behavior notification requesting a parent conference.

Leaving School

If students have plans to leave before the end of the school day, the parent/guardian should contact their respective classroom teacher at the beginning of that school day.

Parents should sign their child out at the receptionist's desk in C building. An authorized pickup card or ID along with pickup permission in RenWeb is required.

Students will not be dismissed from the classroom after 2:30pm except through the carline.

**ACADEMIC AND DEVELOPMENTAL INFORMATION***Assessments*

Assessments are given during the school day and will give students the opportunity to show teachers what they have learned from recent lessons. These assessments will be photocopied and then sent home to parents in the student's daily communication folder. Assessments will be given every 3-4 weeks and will be used to determine student report card grades.

*Grading Scales*

Academic & Social Skills on the report card are graded as follows. As the year progresses, student expectations increase.

**B** - Beginning stages of understanding skill or knowledge

**P** - Progressing in developing skill or knowledge

**S** - Secure in consistently demonstrating skill or knowledge

**NA** - Not assessed

*Homework*

K5 homework is given as deemed appropriate by teachers. Homework may be assigned for various purposes including practice, drill, remediation, enrichment, and special projects. Reading and practicing math facts should be considered daily routines and not homework during the formative years.

Homework given by the classroom teacher should be completed by the student and turned in at the time designated. Most assignments in K5 should not require more than a total of 15-20 minutes per day.

*Promotion and Retention*

Students must show competency in all developmental areas (cognitive, social, emotional, and spiritual) to be promoted to the next grade level. As part of the "No Surprise Guarantee," teachers will communicate with parents/guardians when a student's academic performance and social readiness is of concern. At the end of the year, the teacher and principal will determine promotion readiness for Cathedral Academy's first grade program.

## **BIRTHDAYS**

A birthday is an important milestone in a child's life. A parent may provide a birthday snack for their child's class to celebrate the day, but snacks need to be individualized servings that are the same for the whole class.

If invitations to a birthday or any party are given out at school, all class members must be invited with the exception of girl only or boy only parties. If the entire class is not to be invited, invitations must be mailed by the parent. The school will not provide contact information for other students in the class.

## **LUNCH AND SNACKS**

Students in Kindergarten should bring an appropriate snack and lunch each day. To aid the teachers and students, both snacks and lunches sent from home must be easy to both set up and eat, and must be sent in a labeled, thermal lunch box. Foods needing to be kept cold must be packed with an ice pack. Neither kindergarten snacks or lunches can be heated in the microwave at CA.

Part of the kindergarten curriculum is eating together in a family style. At this time, teachers and students will talk about table manners and always have a prayer of blessing for the food. Also, independence and self-help skills will be taught by having the children clean up after lunch.

If a parent would like to join their student for lunch, he or she must let the teacher know in advance. The parent will check in at the reception desk, and the student will be released to the parent to enjoy lunch together in the courtyard beside Building C. This must be done during the scheduled classroom lunch time, and the student must return to class before the end of the lunch period.

## **CLASS PARTIES**

Several parties are planned for students throughout the year. Parents may be asked to assist, provide refreshments, and to chaperone as needed. Younger siblings are not permitted at class parties.

## **COMMUNICATION**

Teachers will send home a communication folder with the student each day. In this folder, teachers will communicate about the day, as well as send home daily student work and assessments. Parents are expected to check, initial, and return this folder daily. Additional forms of communication may also be used by the teacher, including email, Class Dojo, and RenWeb. Parents are encouraged to request a conference with the teacher as needed.

## **DRESS CODE**

### PHILOSOPHY

*“Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship. Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.” Romans 12:1-2*

There is an appropriate way to dress for school at Cathedral Academy. Modesty, neatness, appropriateness, respect, and gender distinctiveness are the fundamentals of the dress code, regardless of the current standards and trends of society. Students arriving out of dress code may not be permitted to attend class until they change clothes, and this may require a parent to bring a change of clothes. The administration reserves the right to determine the appropriateness of any article of clothing.

### CLOTHING

We promote independence in the CA kindergarten program, and this includes the area of clothing/students dressing themselves. We encourage parents to send children to school in clothing that can be managed by their child. This includes buttons, zippers, shoe laces, and the like. Kindergarteners will use the restroom independently and will be expected to manage their clothing independently.

After taking whole class bathroom breaks, kindergarten students are expected to be able to wait to use the bathroom for up to 45 minutes. Accidents can occasionally happen in kindergarten, so a change of clothing, including underwear and socks, is a necessity. We ask that at the beginning of the school year parents please send a full change of clothing in a gallon zip-lock bag, clearly labeled with the child's name.

### ***Guidelines for Boys***

- ♦ **Pants/Shorts**– All shorts need to be at least mid thigh in length. Holes in jeans may not show skin above mid thigh.
- ♦ **Shirts** – No inappropriate, images, or wording may appear on articles of clothing or accessories.
- ♦ **Hair** – Hair that is distracting is not permitted.
- ♦ **Shoes** - For safety purposes, shoes must have a closed back or back shoe strap. Students may not wear shoes they can not manage themselves, including shoe laces.
- ♦ **Tattoos** – Temporary tattoos may not be distracting.
- ♦ **Headgear** - Items such as hats, sunglasses, and other decorative outerwear are not to be worn in the buildings at any time during the school day. This includes hoodies.
- ♦ **Costumes** - Costumes of any kind should not be worn to school at any time, unless predetermined and announced by the classroom teacher or school principal.

***Guidelines for Girls***

- ♦ **Pants/Shorts/Skirts/Dresses**– All bottoms need to be at least mid thigh in length. Holes in jeans may not show skin above mid thigh. Shorts are required below skirts or dresses.
- ♦ **Shirts** – Spaghetti straps, open backs, or cropped shirts are not permitted. No inappropriate images, or wording may appear on articles of clothing or accessories.
- ♦ **Hair** – Hair that is distracting is not permitted.
- ♦ **Shoes** - For safety purposes, shoes must have a closed back or back shoe strap. Heels are not permitted in the kindergarten program. Students may not wear shoes they can not manage themselves, including shoe laces.
- ♦ **Tattoos** – Temporary tattoos may not be distracting.
- ♦ **Headgear** - Items such as hats, sunglasses, and other decorative outerwear are not to be worn in the buildings at any time during the school day. This includes hoodies.
- ♦ **Costumes** - Costumes of any kind should not be worn to school at any time, unless predetermined and announced by the classroom teacher or school principal.

**CONDUCT AND EXPECTATIONS*****Discipline Policies***

Students at CA are taught to live above reproach by showing respect for God, country, family, faculty, and fellow students. Students who fail to cooperate behaviorally or scholastically will jeopardize their privilege to attend CA. The kindergarten program uses positive discipline as a catalyst to help students learn to accept responsibility for their own actions and behavior, as well as provide tools to equip them with appropriate choices to relate with their peers in the classroom. The ability to accept such responsibility and respond with appropriate choices are stepping stones in their spiritual growth.

Teachers provide encouragement and guidance to students by supplying words to help them talk through and resolve situations and learn problem-solving techniques for working through situations with peers. All students are taught to obey God's Word, obey their parents, and to obey and follow their teacher's instructions. When a student disobeys, the teacher uses an age-appropriate strategy to correct the situation. A "thinking chair" may be used, with guidance and direction, to remove young students from a situation.

Teachers are responsible for classroom discipline. RenWeb, along with the daily communication folder, are the tools primarily used for communicating disciplinary action taken by either teachers or administration. It is a goal and a practice of the faculty and administration to stay in close communication with parents/guardians and to work together as partners in the disciplinary process. This partnership includes responding to RenWeb notifications and working with teachers and administration for behavior improvement.

*Infractions and Consequences*

Kindergarten violations to the standard of conduct at CA fall into three categories:

- Level I Infractions
- Level II Infractions
- Level III Infractions

Level I Infractions

**Level I** infractions are acts of misbehavior in a classroom. Examples of such misbehaviors include, but are not limited to:

- inappropriate conduct
- teasing or making fun of another child
- class disruption
- inappropriate language
- verbal abuse or offensive, hurtful comments
- profanity, use of obscene gestures or words, or swearing
- rough play
- physical retaliation if physically provoked
- defiance of authority and/or school directives

These **Level I** infractions may result in verbal warnings, written documentation in the daily communication folder, or Renweb behavior notifications. Parents/Guardian(s) will be notified of any disciplinary action taken, and a parent conference may occur.

Level II Infractions

**Level II** infractions are misbehaviors of a more serious nature in a classroom. Examples of such misbehaviors include, but are not limited to:

- repeated Level I infractions (conference required)
- physically aggressive behavior toward peers
- direct or indirect threat of physical harm
- use of derogatory racial slurs
- disrespect to authority
- bullying or threatening others
- fighting, stealing, and lying
- defacing property
- intentional harm to another student, including aggressive hitting, slapping, or biting
- defiance that becomes a safety issue

**Level II** infractions will result in a behavior notification, and may result in parents/guardians being contacted for a conference. Level II offenses that involve intentional and physical harm, inappropriate physical touch, or defiance that causes safety issues will result in a student being sent home for the day. Depending on the nature of the offense, Level II infractions may also result in suspension.

### Level III Infractions

**Level III** infractions are major offenses often involving activity that is an inexcusable act of disrespect toward individuals, school property, or personnel. Examples of such misbehaviors include, but are not limited to:

- repeated Level II infractions (conference required)
- extreme behavior unbecoming of a CA student
- intentional destruction of school property
- use of a weapon or terror threat
- possession of a weapon or explosive
- hitting or harming a faculty or staff member
- profanity and/or obscenity in written or spoken word or gesture directed at faculty or staff members

**Level III** infractions will result in a behavior notification, and will result in parents/guardians being contacted for a conference. Level III offenses that involve intentional and physical harm, inappropriate physical touch, or defiance that causes safety issues will result in a student being sent home for the day. Depending on the nature of the offense, Level III infractions may also result in suspension and/or expulsion.

### *Behavior Intervention Plan*

1. The classroom teacher, guidance counselor, and principal work together to determine when a Behavior Intervention Plan will be issued for a student. When a plan has been implemented, the student must demonstrate significant conduct improvement. Failure to show marked improvement may result in the student forfeiting the privilege of attending CA.
2. The purpose of a Behavior Intervention Plan is to motivate the student to demonstrate self-discipline and to function within the school community in a cooperative manner. The respective principal and discipline committee will assess whether CA can continue to partner with parents to fulfill the terms of the Behavior Intervention Plan.
3. Consideration for admission of new students may be given under the terms of a Behavior Intervention Plan if questionable behavior occurred at previous schools.
4. Students who had conduct problems during their previous year at CA may be placed on a Behavior Intervention Plan in order to continue as a student.

## **ELEMENTARY EDUCATION (Grades 1st - 5th)**

### **ATTENDANCE**

To keep accurate records and to emphasize the importance of school attendance, CA has adopted the following guidelines:

- CA requires parental communication for all absences. This communication needs to be received by the end of the missed day. A physician's excuse is preferred when applicable. Parents should contact the administration if unusual circumstances occur
- Attending a school-sponsored trip is credited as a regular school day, and absence from a field trip will be counted as a missed school day.
- A student is considered absent for the day if they arrive after or depart prior to 11:30 a.m.
- After **twenty absences** per year for any reason, excused or unexcused, makeup work will no longer be provided. Any work missed after this time will receive a zero in the Gradebook.
- Making up work is the responsibility of the student and parents, not the teacher.
- Excessive absences may affect the student's promotion to the next grade level or ability to re-enroll at Cathedral Academy.
- Parents should contact the principal if unusual circumstances occur.

#### **Parent Initiated Absences**

Parent initiated absences are requested by the parent for occasions such as family trips and non-school sponsored events. These absences should be requested by the parents, in writing, directly to the teacher at least one (1) week in advance. Without this prior notice, makeup work will not be provided in advance. The only exceptions to this policy will be in cases of death or family emergencies. In such cases, parents should contact the teacher as soon as possible. Parent initiated absences are not recommended for students with low grades. Makeup work is due upon arrival back to school.

#### **Make-Up Work/Tests for Unplanned Absence**

- Communication for unplanned absences is required the day of the absence, and parents should make every effort to communicate expected number of days out.
- Parents and students are responsible for communicating with teachers on the best way to receive and make up missed work.
- The time frame for making up work will be per the individual teacher's instructions, however, papers and projects assigned prior to the absence will be due as originally assigned.
- Make-up work that is not completed in a timely manner will result in a zero in the grade book.

Tardiness

- When a student is tardy to school, it is disruptive to teacher planning and the student misses important announcements and planning for the day.
- A student arriving to school after 8:00 a.m. must sign in at the receptionist's office in C Building.
- After 5 unexcused tardies per semester, parents will receive a behavior notification via RenWeb advising them of the excessive tardies.
- After 10 unexcused tardies per semester, parents will receive a second behavior notification requesting a parent conference.

Leaving School

If students have plans to leave before the end of the school day, the parent/guardian should contact their respective classroom teacher at the beginning of that school day.

Parents should sign their child out at the receptionist's desk in C building. An authorized pickup card or ID along with pickup permission in RenWeb is required.

Students will not be dismissed from the classroom after 2:30pm except through the carline.

**ACADEMIC INFORMATION***Grading*

In keeping with the SC Uniform Grading Scale, the elementary school grading scale is as follows:

A 100 - 90

B 89 - 80

C 79 - 70

D 69 - 60

F 59 - Below

Special area classes (and 2nd grade penmanship) are graded quarterly and the scale is as follows:

S Satisfactory

N Needs Improvement

U Unsatisfactory

*Honor Roll*

Students who earn 90 or higher in all subjects are eligible for A Honor Roll for the quarter. Students who earn 80 or higher in all subjects are eligible for A/B Honor Roll for the quarter.

### *Progress Updates*

Parents may be informed of student progress by checking the online grade program, RenWeb. Additionally, elementary students' quizzes, tests, and other graded work are sent home weekly in a white envelope. This enables parents to receive continual feedback concerning the progress of their students. Parents are urged to review all work with their child.

### *Report Cards*

Report cards are electronically transmitted one week after the end of the grading period, as listed on the school calendar. Report cards are held if there is any balance due on the student's account.

### *Homework*

Homework may be assigned for various purposes including practice, drill, remediation, enrichment, and special projects. Reading and practicing math facts should be considered daily routines during formative years. Homework given by the classroom teacher should be completed by the student and turned in at the time designated, usually the following day. Most assignments in Grades 1 and 2 should not require more than a total of 30 minutes per day; Grade 3 assignments should not require more than a total of 45 minutes per day; Grades 4-5 should not require more than a total of 60 minutes per day. Homework times are a general guideline, and students that work at a slower pace and/or are working to be on grade level may require more time. Homework is an important factor in overall student success.

### *Tutoring*

Cathedral Academy teachers make themselves available to tutor one time per week. This is a time to review concepts that have been taught in class, not study with students.

### *Promotion and Retention*

Promotion of students in grades 1-5 to the next grade level is determined by satisfactory progress and developmental readiness. If a student fails math and reading OR fails either math or reading and two other classes retention will be necessary.

Students may lose credit or risk being retained if they have more than twenty absences per year.

## **BIRTHDAYS**

A birthday is an important milestone in a child's life. A parent may provide a birthday snack for their child's class to celebrate the day, but snacks need to be individualized servings that are the same for the whole class.

If 1st - 5th parents would like to join their students for lunch, they may meet them in the Loft on non-chapel days.

If invitations to a birthday or any party are given out at school, all class members must be invited with the exception of girl-only or boy-only parties. If the entire class is not to be invited, invitations must be mailed by the parent. The school will not provide contact information for other students in the class.

## CLASS PARTIES

Several parties are planned for students throughout the year. Parents may be asked to assist, provide refreshments, and to chaperone as needed. Younger siblings are not permitted at class parties.

## COMMUNICATION/NO SURPRISE GUARANTEE

It is our belief that if we truly partner with parents/guardians, our students will benefit from our guidance. Therefore, all teachers are expected to communicate with parents/guardians when a student's academic performance begins to cause his/her grades to drop. This includes but is not restricted to repeated failure to turn in daily assignments, not participating in class, not turning in major projects, performing poorly on quizzes and major tests, etc. The first time a parent/guardian is made aware of a problem or drop in academic average should come from the teacher as soon as possible. We will use various means to communicate grades to the parent/guardian including posting grades on the online grading program, sending a note home, placing a phone call, or talking directly with the parent(s). For those in grades 1st-5th using RenWeb, it is expected that grades will be updated each week. The administration will monitor input to assure timely and accurate reporting.

## DRESS CODE

### PHILOSOPHY

*"Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship. Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."* Romans 12:1-2

There is an appropriate way to dress for school at Cathedral Academy. Modesty, neatness, appropriateness, respect, and gender distinctiveness are the fundamentals of the dress code, regardless of the current standards and trends of society. Students arriving out of dress code may not be permitted to attend class until they change clothes, and this may require a parent to bring a change of clothes. The administration reserves the right to determine the appropriateness of any article of clothing.

### *Guidelines for Boys*

- **Pants/Shorts**– All shorts need to be at least mid thigh in length. Holes in jeans may not show skin above mid thigh.
- **Shirts** – No inappropriate images, or wording may appear on articles of clothing or accessories.
- **Hair** – Hair that is distracting is not permitted.
- **Shoes** - For safety purposes, shoes must have a closed back or back shoe strap.
- **Tattoos** – Temporary tattoos may not be distracting.
- **Headgear** - Items such as hats, sunglasses, and other decorative outerwear are not to be worn in the buildings at any time during the school day. This includes hoodies.
- **Costumes** - Costumes of any kind should not be worn to school at any time, unless predetermined and announced by the classroom teacher or school principal.

*Guidelines for Girls*

- **Pants/Shorts/Skirts/Dresses**– All bottoms need to be at least mid thigh in length. Holes in jeans may not show skin above mid thigh.

- **Hair** – Hair that is distracting is not permitted.
- **Shoes** - For safety purposes, shoes must have a closed back or back shoe strap.
- **Tattoos** – Temporary tattoos may not be distracting.
- **Headgear** - Items such as hats, sunglasses, and other decorative outerwear are not to be worn in the buildings at any time during the school day. This includes hoodies.
- **Costumes** - Costumes of any kind should not be worn to school at any time, unless predetermined and announced by the classroom teacher or school principal.

**CONDUCT AND EXPECTATIONS***Discipline Policies*

Students at CA are taught to live above reproach by showing respect for God, country, family, faculty, and fellow students. Students who fail to cooperate behaviorally or scholastically will jeopardize their privilege to attend CA. The elementary program uses positive discipline as a catalyst to help students learn to accept responsibility for their own actions and behavior, as well as provide tools to equip them with appropriate choices to relate with their peers in the classroom. The ability to accept such responsibility and respond with appropriate choices are stepping stones in their spiritual growth.

Teachers provide encouragement and guidance to students to help them resolve situations and learn problem-solving techniques for working through situations with peers. All students are taught to obey God's Word, obey their parents, and to obey and follow their teacher's instructions. When a student disobeys, the teacher uses an age-appropriate strategy to correct the situation.

Teachers are responsible for classroom discipline. RenWeb, daily folders where applicable, and emails are the tools primarily used for communicating disciplinary action taken by either teachers or administration. It is a goal and a practice of the faculty and administration to stay in close communication with parents/guardians and to work together as partners in the disciplinary process. This partnership includes parents/guardians responding to teacher communication and working with teachers and administration for behavior improvement.

*Infractions and Consequences*

Elementary violations of the standard of conduct at CA fall into three categories:

- Level I Infractions
- Level II Infractions
- Level III Infractions

#### Level I Infractions

**Level I** infractions are acts of misbehavior in a classroom. Examples of such misbehaviors include, but are not limited to:

- inappropriate conduct
- teasing or making fun of another child
- class disruption
- inappropriate language
- verbal abuse or offensive, hurtful comments
- profanity, use of obscene gestures or words, or swearing
- rough play
- physical retaliation if physically provoked
- defiance of authority and/or school directives

These **Level I** infractions may result in verbal warnings, written documentation in the daily communication folder, or Renweb behavior notifications. Parents/Guardian(s) will be notified of any disciplinary action taken, and a parent conference may occur.

#### Level II Infractions

**Level II** infractions are misbehaviors of a more serious nature in a classroom. Examples of such misbehaviors include, but are not limited to:

- repeated Level I infractions (conference required)
- physically aggressive behavior toward peers
- direct or indirect threat of physical harm
- use of derogatory racial slurs
- disrespect to authority
- bullying or threatening others
- fighting, stealing, and lying
- defacing property
- intentional harm to another student, including aggressive hitting, slapping, or biting
- defiance that becomes a safety issue

**Level II** infractions will result in a behavior notification, and may result in parents/guardians being contacted for a conference. Level II offenses that involve intentional and physical harm, inappropriate physical touch, or defiance that causes safety issues will result in a student being sent home for the day. Depending on the nature of the offense, Level II infractions may also result in suspension.

### Level III Infractions

**Level III** infractions are major offenses often involving activity that is an inexcusable act of disrespect toward individuals, school property, or personnel. Examples of such misbehaviors include, but are not limited to:

- repeated Level II infractions (conference required)
- extreme behavior unbecoming of a CA student
- intentional destruction of school property
- use of a weapon or terror threat
- possession of a weapon or explosive
- hitting or harming a faculty or staff member
- profanity and/or obscenity in written or spoken word or gesture directed at faculty or staff members

**Level III** infractions will result in a behavior notification, and will result in parents/guardians being contacted for a conference. Level III offenses that involve intentional and physical harm, inappropriate physical touch, or defiance that causes safety issues will result in a student being sent home for the day. Depending on the nature of the offense, Level III infractions may also result in suspension and/or expulsion.

### *Behavior Intervention Plan*

1. The classroom teacher, guidance counselor, and principal work together to determine when a Behavior Intervention Plan will be issued for a student. When a plan has been implemented, the student must demonstrate significant conduct improvement. Failure to show marked improvement may result in the student forfeiting the privilege of attending CA.
2. The purpose of a Behavior Intervention Plan is to motivate the student to demonstrate self-discipline and to function within the school community in a cooperative manner. The respective principal and discipline committee will assess whether CA can continue to partner with parents to fulfill the terms of the Behavior Intervention Plan.
3. Consideration for admission of new students may be given under the terms of a Behavior Intervention Plan if questionable behavior occurred at previous schools.
4. Students who had conduct problems during their previous year at CA may be placed on a Behavior Intervention Plan in order to continue as a student.

Bullying, Harassment, and Intimidation

Bullying, harassment, or intimidation of others is not tolerated. Such can be understood to be a gesture, an electronic communication, or a written, verbal, physical, or sexual advance that is reasonably perceived to have the effect of harming a student physically or emotionally, damaging a student's property, or placing a student in reasonable fear of personal harm or property damage. Such behavior can also be understood to be insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Therefore, a person may not engage in bullying, harassment, or intimidation, or in reprisal, retaliation, or false accusation against a victim, witness, or one with reliable information about an act of bullying, harassment, or intimidation. Anyone who has reliable information that a student has been subject to bullying, harassment, or intimidation is expected to report the incident to the appropriate school official. All students share responsibility for keeping the school environment free from bullying, harassment, and intimidation.

Sexual Behavior and Gender Identification

CA reserves the right to ask a student to withdraw if;

- A student is married, becomes pregnant, causes a pregnancy, or has a child. A student is openly homosexual or supports homosexuality.
- A student is transgender/lives a gender identity lifestyle or supports such a lifestyle. God bestows gender upon each person as male or female to reflect His image, and CA will only recognize a student's biological gender. (Genesis 1:27)

Academic Dishonesty

Academic Dishonesty is defined as the following and is without permission from the teacher:

- Using another student's homework, test, quiz, project, or workbook
- Altering or filling in information during the grading process to make corrections whether it concerns the student's own paper or someone else's
- Obtaining or providing test or quiz questions or information in advance through unauthorized means
- Giving information either orally, electronically, or by intentionally allowing another student to copy them
- Receiving answers either audibly, by copying from another student, by looking at any source containing information, or by any other means
- Plagiarism: submitting a work as yours that in actuality was either fully or partially produced by another source, including individuals, Internet, books, or any verbal or printed word
- Possession of any unauthorized materials during an assessment or assignment

The consequences of academic dishonesty may include loss of points or a zero on the assignment and a detention. Students could potentially be removed from an AP or Dual Credit class mid-semester for academic dishonesty. Repeated episodes of academic dishonesty may result in suspension or expulsion.

## **APPEALS**

### **Introduction**

It is quite natural for people in a school to disagree. We can have honest differences of opinion. Policies, practices, and procedures can be viewed and interpreted differently, especially depending upon varying circumstances. Sinful behavior can rise up and cause reason to be clouded by emotion. Some people appreciate policies except when these policies affect them. Surely, everyone in the school community can appreciate that rules and consequences often cannot be adjusted on the basis of people's "comfort" or convenience; otherwise, chaos could ensue.

In the case of any disagreement, all parties in dispute are invited to (1) step back from the situation, (2) take the necessary time to get emotions under control, (3) pray, (4) appropriate God's discernment, and (5) attempt to resolve any dispute with the other person's interests in mind. The Bible indicates that, at least so far as it depends upon each of us, we should live at peace with everyone (Romans 12:18). We are all called to be peacemakers at Cathedral Academy.

If, however, a disagreement cannot be resolved, the following processes are in place to effectively address each matter as close as possible to the parties involved:

#### *Student-to-Student*

If a student disagrees with (a) student(s), s/he should attempt to resolve the conflict or solve the problem directly with the student(s).

If the matter is not resolved student-to-student, the student could request that a trusted peer, staff member, administrative staff, or parent mediate a subsequent conversation for conflict resolution/problem-solving.

If the matter is not resolved with the mediator's involvement, the matter should be taken to the Head of Schools.

#### *Student-to-Staff*

If a student disagrees with a staff member, the student should attempt to resolve the conflict or solve the problem directly with the staff member.

If the matter is not resolved student-to-staff, the student should request that the administration mediate a subsequent conversation for conflict resolution/problem-solving.

At any time in this process, a parent or parents could be involved in helping to settle the dispute, but not until the student has initially attempted to resolve the matter. School personnel will do everything in our power to engage our partnerships with parents, and parents should also understand that a resolution different than what is desired by the parent/s does not mean the partnership is not valued.

*Parent -to-Staff*

If a parent disagrees with a staff member, the parent should attempt to resolve the conflict or solve the problem directly with the staff member.

If the matter is not resolved parent-to-staff, the parent should request that the administration mediate a subsequent conversation for conflict resolution/problem-solving.

Per our partnership goals, issues and conflicts should not be posted or discussed on social media.

Conclusion

We believe these processes are consistent with biblical principles and are uniquely applied in a school setting.

As the dispute progresses to other people of authority, the persons closest to the dispute must expect that they will not have as much control over the final outcomes. In such cases, Romans 1:1-2 applies -- "Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God. Therefore, whoever resists the authorities resists what God has appointed, and those who resist will incur judgment." (English Standard Version)

*The school generally follows its discipline procedures contained herein. However, there are circumstances in which the school administration and/or board may determine, at their sole discretion, that it is appropriate not to follow progressive discipline steps. In cases in which a student has engaged in egregious, immoral, or other unacceptable behavior, the school reserves the right to suspend or expel the student immediately.*

## UPPER SCHOOL (Grades 6th - 12th)

### ATTENDANCE

#### Absences - Accrued by class period

Regular attendance at school is a requirement. The school desires to instill in all students the character traits of punctuality and accountability, and parents are encouraged to assist CA by making sure their children promptly arrive and depart from school. When a student is tardy or absent from a class, it is disruptive to teacher planning and diminishes the student's opportunity to participate in the full range of activities planned for that class.

- CA requires parental communication for all absences. This communication needs to be received by the end of the day missed. A physician's excuse is preferred when applicable. Parents should contact the administration if unusual circumstances occur
- In order to receive credit for a course, no more than 10 absences per semester classes or 20 absences for full-year classes are allowed. These absences are counted by class period. For students missing more than the allotted absences without prior administrative approval will be required to do one or more of the following:
  - Serve seat recovery time for missed hours
  - Receive paid tutoring by a school approved tutor for a specific number of hours
  - Repeat the class or grade

#### School-Sponsored Events

- School-sponsored event participation is a privilege, and students must be in attendance for at least half of the school day in order to participate in CA activities.
- School-sponsored events or trips do not count against the allowed absences for course credit.
- Students are responsible for contacting the teachers prior to the absence and for making up all missed work per the teachers' instructions.

#### Parent-Initiated Planned Absences [Click Here for Link to Planned Absence Form](#)

Parent-initiated absences are requested by the parent for such things as family trips and non-school sponsored events. Students planning to miss academic time for these absences are expected to complete an *Planned Absence Form*.

- At least one week in advance, the *Planned Absence Form* must be filled out, signed by each teacher, then submitted to administration.
- The *Planned Absence Form* is designed to make the student aware of assignments that will be missed and to make the teachers aware of the student's planned absence.
- The student is required to make up all missed work per teacher's instructions.
- Planned absences are not recommended for students with low grades or excessive absences.

***If the Planned Absence Form is not completed and approved at least one week in advance, all missed days will be considered unexcused.***

Leaving School Early

Please remember that absences are counted per class period, so please use discretion when signing your student out early.

- Prior to the end of the school day, parents must sign students out in the school office located in D Building.
- Student drivers may only sign out with prior written communication from the parent or guardian.
- Once arriving, students may not leave campus at any time without permission from an administrator.

College Visits

Two days are allowed for sophomores and juniors, and three days are allowed for seniors to visit colleges. Students should follow procedures for Parent Initiated Absences to secure permission for college visits. Additional college visits may be granted with administrative approval. Please note that verification from the college may also be required.

Make-Up Work/Tests for Unplanned Absence

- Communication for unplanned absences is required the day of the absence, and parents should make every effort to communicate expected number of days out.
- Parents and students are responsible for communicating with teachers on the best way to receive and make up missed work.
- The time frame for making up work will be per the individual teacher's instructions, however, papers and projects assigned prior to the absence will be due as originally assigned.

Late Work *Late work is addressed per teacher procedure in individual syllabus*Tardiness

When a student is tardy to school, it is disruptive to teacher planning and the student misses important announcements and planning for the day.

- A student arriving to school after 8:00 a.m. must sign in at the receptionist's office in D Building.
- After 5 unexcused tardies per semester, parents will receive a behavior notification via RenWeb advising them of the excessive tardies.
- After 10 unexcused tardies per semester, parents will receive a second behavior notification requesting a parent conference. At this point, student drivers may also have driving privileges suspended or revoked. Parents should communicate any extenuating circumstances to administration.

**Regular Dismissal**

Upper School students will be dismissed from their classrooms and should go directly to their rides per the Cathedral traffic patterns. Students should be alert for their rides and prepared to move quickly and cautiously to load safely without delays.

**Designated Drivers**

Parent communication is required for all students not going home with their parents or usual driver. The note must show the date of the pick-up and the name of the person who is authorized to pick-up the student.

**Permission to Walk Home**

In order to walk home from school, students must bring a note to the school office prior to leaving for home after dismissal. The note should state the length of time the permission covers.

## **ACADEMIC INFORMATION, GRADUATION REQUIREMENTS, PROMOTION**

**Grading**

A	Excellent	90-100
B	Good	80-89
C	Average	70-79
D	Below Average	60-69
F	Poor	0-59

**Academic Requirements**

Students are expected to maintain a high level of academic excellence. It is always our desire to see students succeed by doing their best in all areas. At the end of each quarter, students who are failing one course or have two or more classes with a D average will be placed on academic probation for the following quarter. During the probation period, students are expected to attend tutoring and actively engage with the teacher to improve their grade. Academic probation may also affect the student's ability to participate in extracurricular activities.

Any student remaining on academic probation for 2 consecutive quarters may place enrollment in jeopardy. Upper school students who fail two years of any subject may not be invited to return to Cathedral Academy.

**ACADEMIC ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES**

Academic performance will be reviewed every 4 ½ weeks to determine eligibility for extracurricular activities including but not limited to performing arts, worship arts, etc. (For the athletics academic policy, please see the athletic department guidelines)

- Students with an F average in one class or a D average in two or more classes will be on academic probation starting one week from the review and continue for the following 4 ½ weeks.
- During the probation period, students may attend practices, but they will not be able to actively participate in productions or performances. Please note, this may affect casting or on-stage opportunities.
- During the probation period, students are also expected to attend tutoring and actively engage with the teacher to improve their grade.

At the end of the 4 ½ week probation, grades will be reviewed again to determine eligibility going forward. Probation may be lifted starting one week after the grading period.

**EXAMS (Grades 8-12)**

Exams will be counted with their own weighted merit. Each nine week grading period will count as 40% and each semester exam grade will count as 20%. The average of the two semesters will account for the final grade. Schedules for semester exams will be communicated one week prior to the end of each semester. Semester exams are given in all academic, high school credited classes.

**EXAM EXEMPTIONS (Grades 8-12)**

Students in grades 8-12 are eligible to exempt final exams if:

- The student has at least a 90 average in the subject for the year and
- The student has only had 5 absences in the class per semester.

**Classification Requirements**

To be classified as a:

**Freshman - Grade 9**

Complete grade 8, earn 0-3 credits

**Sophomore - Grade 10**

**Junior - Grade 11**

Complete a minimum of 12 credits, including 2 English credits and 2 math credits

**Senior - Grade 12**

Complete a minimum of 18 credits including 3 English credits and 3 math credits

**SENIORS**

Students in grade 12 are expected to carry a normal academic load, not less than 5 classes.

**HONOR GRADUATES**

High Honor – Gold Cord for GPA of 4.300+

Honor – White Cord for GPA of 3.700 to 4.299

- 2 Foreign Language (the same language)
- 1 Physical Education
- 1 Computer
- .5 Financial Literacy (beginning with the 2027 graduating class)
- 1 Fine Arts
- 4 Electives -  
Biblical Studies for each year of attendance

**For students to be eligible to participate in the Graduation Ceremony, they must be in good standing with the school, all fees paid, accounts cleared, and all academic work complete.**

*These requirements meet or exceed South Carolina Independent School Association (SCISA) and regional college requirements. The administration reserves the right to accept, reject, or reclassify credits earned at other institutions.*

## **Community Service Requirements**

One of Cathedral Academy's primary goals is to prepare students for a life of service to Christ and their community. Therefore, we believe that students should be involved in serving their communities while they are students.

- ☐ Grades 9-12 students are required to provide 12 hours of community service per academic school year session. Students may select from a variety of activities.
- ☐ Middle school students can begin working on their graduation cords but still must meet the minimum per year in high school.

Some examples of community service projects are: church ministry workers, assisted living visitations, children's hospital visitation, food drives, etc. Summer hours can be counted toward a total Service Record.

## **COLLEGE CREDIT TRANSFERS**

High school credits may be earned through dual credit courses with CA Administrative pre- approval.

## **ADVANCED PLACEMENT COURSES (AS AVAILABLE)**

**All** students enrolled in an Advanced Placement class will take the AP test in May.

The criteria for placing students into an AP course are achievement test scores, past performance, and teacher recommendation.

## **HIGH SCHOOL SCHEDULE CHANGES**

Students wishing to change their class schedule must do so within 5 days of the first day of school. There must be a parent and student signature on the Class Change Form and must be in accordance with ON-TIME graduation.

## **PROGRESS UPDATES AND REPORTS**

Parents may be informed of student progress by checking the online grade program, RenWeb.

Parents are encouraged to check RenWeb on a regular basis.

## **PROMOTION AND RETENTION**

Promotion of students in grades 6-8 to the next grade level is determined by satisfactory progress and developmental readiness. If a student fails math **and** reading **OR** fails either math **or** reading **and** two other classes retention will be necessary.

Students may lose credit or risk being retained if they have more than 20 absences per year.

Students (grades 8-12) will lose credit for any failed course(s) for the year.

Students who do not successfully complete a required course by the end of the regular school year, designated as part of promotion guidelines, may take a course from an approved school during the summer. Upon satisfactory completion of the coursework, the student may be promoted.

## **REPORT CARDS**

Report cards are electronically transmitted one week after the end of the grading period, as listed on the school calendar. **Report cards are held if there is any balance due on the student's account.**

**TEACHER ASSISTANTS / INTERNS**

It is the intent of the Academy to provide a rigorous academic program. Students need to be in academic classes as much as possible to be prepared for coursework after high school. Due to the “general class nature” of the Teacher Assistant / Intern elective, and the CA curriculum being a college prep and higher scale: students may be a TA / Intern and get credit as having taken an elective class, and there will be a grade assigned, but because it is a General Credit class, it will not factor into the overall GPA. Students should only take the TA/Intern class after all other options have been exhausted. Students may take a TA/Intern Class for two years. A third TA/Intern class will only count as an “Audit” course, with no grade assigned, but students can receive 20 Community Service hours per semester.

**NO SURPRISE GUARANTEE**

It is our belief that if we truly partner with parents/guardians, our students will benefit from our guidance. Therefore, ALL TEACHERS are expected to communicate with parents/guardians when a student’s academic performance begins to cause his/her grades to drop. This includes but is not restricted to repeated failure to turn in daily assignments, not participating in class, not turning in major projects, performing poorly on quizzes and major tests, etc. The first time a parent/guardian is made aware of a problem or drop in academic average should come from the teacher as soon as possible. We will use various means to communicate grades to the parent/guardian including posting grades on the online grading program, sending a note home, placing a phone call, or talking directly with the parent(s). It is expected that grades will be updated each week. The administration will monitor input to assure timely and accurate reporting.

## **DRESS CODE REGULATIONS**

### **PHILOSOPHY**

*“Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship. Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.” Romans 12:1-2*

There is an appropriate way to dress for school at Cathedral Academy. Modesty, neatness, appropriateness, respect, and gender distinctiveness are the fundamentals of the dress code regardless of the current standards and trends of society. Students arriving out of dress code may not be permitted to attend class until they change clothes, and this may require a parent to bring a change of clothes. The administration reserves the right to determine the appropriateness of any article of clothing. Parents will receive a RenWeb behavior notification for dress code violations.

### **Guidelines for Young Men**

- ♦ **Pants/Shorts/Jeans** – Pants, shorts and holes in blue jeans may be no more than 4” above the knee. No swimming style or nylon material shorts are allowed. Pants or shorts should not be baggy, too tight, or oversized. Pajama style, wind suit pants, military/hunting fatigues, and athletic gym shorts are not permitted. **SPIRIT DAY DRESS**

Spirit Dress Days will be held often throughout the school year to promote school spirit. The administration will notify students and families about these special days. All of the hemline length guidelines set forth in the school dress policy are in effect during Spirit Dress Days.

## **ELECTRONIC COMMUNICATION DEVICES**

An electronic communications device is defined as a device that emits an audible signal, vibrates, displays a message, receives audio or otherwise operates to summon or deliver communication to the possessor (e.g., cellular phones, laser pointers, smart watches, headphones, airpods, ipads or any other communication device).

- Upper school students will **NOT** be permitted to utilize electronic devices during the school day unless specific permission is given by a teacher in the classroom. At no point, should these be used in the lunchroom, hallways or anywhere on campus outside of the classroom.
- Phones must be turned off or set to airplane mode and put in a designated container during homeroom each morning and can be picked up from homeroom at the end of the school day.
- Smart watches must be set to airplane mode and may not be used for communication during the school day.

Failure to follow this policy will result in a behavior notification in RenWeb and consequences as noted in the discipline policy. If you need to contact your child during the school day, please call the school office and a message will be relayed. Administrators and staff members, along with law enforcement authorities have the right to confiscate electronic communication devices possessed by students in violation of this policy.

## **DISCIPLINE PROCEDURES**

*Clearly communicated expectations form the basis for a student's success as s/he engages productively in the classroom and in the community at large. These expectations also provide parents with the necessary insights to partner with the school in a positive manner to encourage their child in success-building attitudes and actions. Positive expectations provide the foundation for measurable outcomes.*

## **STANDARDS OF CONDUCT**

Students at CA are taught to live above reproach by showing respect for God, country, family, faculty, and fellow students. Students who fail to cooperate behaviorally or scholastically will jeopardize their privilege to attend CA. Cathedral uses restorative discipline as a catalyst to help students learn to accept responsibility for their own actions and behavior. The ability to accept such responsibility is one of the qualities of mature people and is a stepping stone in their spiritual growth.

The Upper School administration and faculty expect CA students to give evidence of the following behavior:

- Demonstrate personal honesty and integrity.
- Foster a culture of excellence with an attitude of gratitude.
- Respect differences in others always.
- Respect personal and school property.
- Seek to develop positive interpersonal relationships.
- Take responsibility for being in the proper place at the proper time.
- Avoid behavior unbecoming of a CA student, whether at school or not.
- Avoid excessive accumulation of minor disciplinary infractions.

Students who show disregard for expectations listed above will receive RenWeb Behavior Notifications, detentions, suspensions, or other disciplinary measures as a reminder of their importance and to lay out clear boundaries and guidelines for correcting the addressed behavior.

Consequences will escalate based upon accumulation of referrals and/or repeating offenses. For the school's discipline and standards of conduct to be effective, parent/guardian(s) are expected to support the school rules and work with the faculty and administration to correct a student's unacceptable behavior as necessary. Any action by a student or the parent(s)/guardian(s) which seriously interferes with the school's ability to accomplish its goals may be grounds for the student's immediate dismissal.

Students should understand that they represent CA at all times, including weekends and school breaks. Although CA does not supervise or monitor student activity away from the school or their electronic transmissions, it reserves the right to take action (up to and including expulsion) when evidence reveals behavior that violates the school policies, causes disruption to the school day, or is detrimental to the testimony of CA. Any violations of this sort, 1<sup>st</sup> offense, we may partner with the parent regarding consequences. A 2<sup>nd</sup> offense of off campus violations would result in school consequences.

*RenWeb* is the tool primarily used for communicating disciplinary action taken by teachers and administration, and it contains the student's disciplinary record. It is a goal and a practice of the faculty and administration to stay in close communication with parents/guardians and to work together as partners in the disciplinary process. This partnership includes responding to *RenWeb* notifications and working with teachers and administration for behavior improvement. It is the parent's/guardian's and student's responsibility to check *RenWeb* regularly and be aware of any changes to their student's discipline record.

Violations to the standard of conduct at CA fall into three categories:

- Level I Infractions
- Level II Infractions
- Level III Infractions

*RenWeb* denotes infraction levels as demerits.

### **Level I Infractions**

**Level I** infractions are acts of misbehavior in a classroom, on campus, or at school events. Examples of such misbehaviors include, but are not limited to:

- inappropriate conduct in chapel
- on-campus automotive moving or parking violations
- being in an unsupervised area without permission(including being in or around cars in parking lots)
- class disruption
- failure to report for an assigned detention
- misbehavior in the lunchroom
- inappropriate language spoken or written
- public display of affection
- rudeness or discourteousness
- verbal abuse or offensive, hurtful comments
- dress code violations
- failure to report for lunch detention
- having unapproved food or drink in unapproved areas (computer lab)
- using the elevator without permission.

These **Level I** infractions may result in warnings, behavior notifications or detentions.

Parents/Guardian(s) will be notified via *RenWeb* of any disciplinary action taken, and a parent conference may occur.

## **Level II Infractions**

**Level II** infractions are misbehaviors of a more serious nature in a classroom, on or off campus, or at school events. Examples of such misbehaviors include, but are not limited to:

- plagiarism
- collusion on academic assignments
- aggressive behavior or horseplay
- cutting school
- defiance of authority and/or school directives
- spoken or written profanity, use of obscene gestures or words, swearing or use of derogatory racial slurs
- disrespect to authority
- academic dishonesty
- inappropriate behavior of a sexual nature
- lying
- leaving campus without signing out and/or without obtaining permission
- fighting
- cell phone violation
- repeated Level I infractions.

**Level II** infractions may result in parents/guardians being contacted by the administration, and a parent conference may be requested.

**Level II** infractions may result in detention and/or suspension.

## **Level III Infractions**

**Level III** infractions are major offenses often involving activity that is illegal or is an inexcusable act of disrespect toward individuals, school property, or personnel. These infractions are violations of school policy during any time the student is enrolled at CA and are not limited to school or on-campus activities. Examples of such misbehaviors include, but are not limited to:

- repeated Level II infractions of the same kind
- smoking or possession of any tobacco product, cigarette alternative or vaping paraphernalia
- possession of drug paraphernalia
- any involvement or association with alcohol, illegal drugs, edibles, or any illegally obtained prescription drugs
- testing positive or refusing to take a school-mandated drug test.
- extreme behavior unbecoming of an CA student on or off campus
- computer hacking
- destruction of school property (including vandalism and graffiti)
- direct or indirect threat of physical harm, use of a weapon, or terror threat
- harassment, bullying (verbal, sexual, physical, cyber, via computer, phone, etc.)
- inappropriate use of the internet or tampering with the school's computer system
- possessing or viewing pornography/nude images
- sexual promiscuity including sexting
- possession of a weapon or explosive
- possession of missing or stolen property
- profanity and/or obscenity in written or spoken word or gesture directed at faculty or staff members
- stealing
- tampering with the fire alarm system, extinguishers, or defibrillator

**Level III** infractions may result in parents/guardians being contacted by the appropriate dean, and a conference may be requested.

**Level III** infractions may result in suspension and/or expulsion from CA.

Infractions involving illegal activities may be reported to the law enforcement authorities.

If a student has been charged with any illegal activities, other than driving violations, it is the parents'/guardians' and the student's responsibility to notify the school administration of the offense.

## **Consequences**

### *Behavior Notifications*

- Behavior notifications are issued through RenWeb by teachers or administrators for all infractions. All teachers have their own classroom management procedures, which can be found in their syllabi, that best meets the needs of their individual classroom. Teachers may administer warnings and consequences before beginning the behavior notification process. Administration will be responsible for issuing detentions and suspensions.

Note that some behaviors may result in immediate detention, suspension, or expulsion.

### *Detentions*

Detentions may be given as consequences. Detentions are issued for Level I and Level II infractions or for the accrual of referrals for like offenses. All disciplinary obligations take precedence over athletic practices, games, or other extracurricular activities.

Detentions will be served on assigned days and will adhere to the following guidelines:

- Detentions may be scheduled during lunch, after school, early weekday mornings, Friday evenings, or Saturday mornings as assigned by the school administration. Students assigned Saturday morning detention will be charged \$25.
- Students are expected to be on time for scheduled detentions. Late arrival may result in a rescheduled detention with additional consequences.
- During detentions, students may be required to perform tasks around the school building and/or complete written assignments. Any written assignment must be completed during the detention and will be required to be rewritten if it does not meet the approval of the detention monitor. Students should bring their own paper and pen.
- A skipped detention or multiple detentions may result in a suspension. Detentions will jeopardize students from being eligible to run for positions of leadership.

### *Suspensions*

A suspension may be issued by administration, and the length will be dependent on the level of infraction. Any disciplinary obligation takes precedence over athletic practices, games, or other extracurricular activities. Therefore, any suspended student may not attend or participate in any school activity, either on or off campus, during the day(s) of suspension. A student who is suspended may be removed from extracurricular activities (i.e. athletics, fine arts, class office, student government, clubs, or honor societies, etc.) as determined by the administration. Academic work missed during a suspension may result in a zero or grade reduction.

Colleges/universities might request a report of any suspensions during the 9<sup>th</sup> -12<sup>th</sup> grade years.

*Expulsion*

The CA administration considers certain offenses as particularly serious and reserves the right to expel a student, even for the first offense, for the following behaviors:

- Any involvement or association with drugs, vaping, or alcohol on or off campus
- Bullying, threatening, harassment, and intimidation
- Involvement in immoral or sexual behavior
- Possession of a weapon or explosives on campus
- Profanity and/or obscenity directed at a faculty or staff member
- Striking a faculty or staff member
- Testing positive or refusal to take a school-mandated drug test
- Threat of physical harm with or without a weapon
- Possession of pornography/nude images
- Illegal behavior

Expulsion is the most severe penalty that CA assigns. It is recorded as part of the permanent school record. Once expelled, the student must leave campus immediately, unless an extension has been granted by administration. All school property must be returned to appropriate parties, and lockers must be emptied. An expelled student may not return to campus without their parent and without approval from the administration.

Bullying, Harassment, and Intimidation

Bullying, harassment, or intimidation of others is not tolerated. Such can be understood to be a gesture, an electronic communication, or a written, verbal, physical, or sexual advance that is reasonably perceived to have the effect of harming a student physically or emotionally, damaging a student's property, or placing a student in reasonable fear of personal harm or property damage. Such behavior can also be understood to be insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school. Therefore, a person may not engage in bullying, harassment, or intimidation, or in reprisal, retaliation, or false accusation against a victim, witness, or one with reliable information about an act of bullying, harassment, or intimidation. Anyone who has reliable information that a student has been subject to bullying, harassment, or intimidation is expected to report the incident to the appropriate school official. All students share responsibility for keeping the school environment free from bullying, harassment, and intimidation.

Sexual Behavior and Gender Identification

CA reserves the right to ask a student to withdraw if;

- A student is married, becomes pregnant, causes a pregnancy, or has a child. A student is openly homosexual or supports homosexuality.
- A student is transgender/lives a gender identity lifestyle or supports such a lifestyle. God bestows gender upon each person as male or female to reflect His image, and CA will only recognize a student's biological gender. (Genesis 1:27)

Academic Dishonesty

Academic Dishonesty is defined as the following and is without permission from the teacher:

- Using another student's homework, test, quiz, project, or workbook
- Altering or filling in information during the grading process to make corrections whether it concerns the student's own paper or someone else's
- Obtaining or providing test or quiz questions or information in advance through unauthorized means
- Giving information either orally, electronically, or by intentionally allowing another student to copy them
- Receiving answers either audibly, by copying from another student, by looking at any source containing information, or by any other means
- Plagiarism: submitting a work as yours that in actuality was either fully or partially produced by another source, including individuals, Internet, books, or any verbal or printed word
- Possession of any unauthorized materials during an assessment or assignment

The consequences of academic dishonesty may include loss of points or a zero on the assignment and a detention. Students could potentially be removed from an AP or Dual Credit class mid-semester for academic dishonesty. Repeated episodes of academic dishonesty may result in suspension or expulsion.

APPEALSIntroduction

It is quite natural for people in a school to disagree. We can have honest differences of opinion. Policies, practices, and procedures can be viewed and interpreted differently, especially depending upon varying circumstances. Sinful behavior can rise up and cause reason to be clouded by emotion. Some people appreciate policies except when these policies affect them. Surely, everyone in the school community can appreciate that rules and consequences often cannot be adjusted on the basis of people's "comfort" or convenience; otherwise, chaos could ensue.

In the case of any disagreement, all parties in dispute are invited to (1) step back from the situation, (2) take the necessary time to get emotions under control, (3) pray, (4) appropriate God's discernment, and (5) attempt to resolve any dispute with the other person's interests in mind. The Bible indicates that, at least so far as it depends upon each of us, we should live at peace with everyone (Romans 12:18). We are all called to be peacemakers at Cathedral Academy.

If, however, a disagreement cannot be resolved, the following processes are in place to effectively address each matter as close as possible to the parties involved:

*Student-to-Student*

If a student disagrees with (a) student(s), s/he should attempt to resolve the conflict or solve the problem directly with the student(s).

If the matter is not resolved student-to-student, the student could request that a trusted peer, staff member, administrative staff, or parent mediate a subsequent conversation for conflict resolution/problem-solving.

If the matter is not resolved with the mediator's involvement, the matter should be taken to the Head of Schools.

### *Student-to-Staff*

If a student disagrees with a staff member, the student should attempt to resolve the conflict or solve the problem directly with the staff member.

If the matter is not resolved student-to-staff, the student should request that the administration mediate a subsequent conversation for conflict resolution/problem-solving.

At any time in this process, a parent or parents could be involved in helping to settle the dispute, but not until the student has initially attempted to resolve the matter. School personnel will do everything in our power to engage our partnerships with parents, and parents should also understand that a resolution different than what is desired by the parent/s does not mean the partnership is not valued.

### *Parent -to-Staff*

If a parent disagrees with a staff member, the parent should attempt to resolve the conflict or solve the problem directly with the staff member.

If the matter is not resolved parent-to-staff, the parent should request that the administration mediate a subsequent conversation for conflict resolution/problem-solving.

Per our partnership goals, issues and conflicts should not be posted or discussed on social media.

### Conclusion

We believe these processes are consistent with biblical principles and are uniquely applied in a school setting.

As the dispute progresses to other people of authority, the persons closest to the dispute must expect that they will not have as much control over the final outcomes. In such cases, Romans 1:1-2 applies -- "Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God. Therefore, whoever resists the authorities resists what God has appointed, and those who resist will incur judgment." (English Standard Version)

*The school generally follows its discipline procedures contained herein. However, there are circumstances in which the school administration and/or board may determine, at their sole discretion, that it is appropriate not to follow progressive discipline steps. In cases in which a student has engaged in egregious, immoral, or other unacceptable behavior, the school reserves the right to suspend or expel the student immediately.*

## **OTHER STUDENT CONCERNS**

### **STUDENT DIGNITY POLICY**

Cathedral Academy intends to provide its students an environment that is free of offensive kinds of behavior. Conduct, whether intentional or unintentional, that subjects another person to unwanted attention, comments, or actions because of race, national origin, age, gender, physical characteristics or disability, robs that person of their dignity and is not permitted.

Cathedral Academy does not condone or allow harassment of others, whether engaged in by students, employees or other family members who may be present.

Any student who is determined to have violated this policy will be subject to corrective action and discipline and may include expulsion.

### **STUDENT DRIVERS**

- Students must park in designated student parking areas. All student drivers must sign a ***Student Driver Contract***. Failure to adhere to the guidelines set out in the contract may result in the loss of driving privileges.
- Student drivers are not permitted to leave campus during the school day for lunch (except for Senior Lunch). If absolutely necessary, student drivers may leave campus for a medical appointment with prior written permission from parents or a signature by email from their parent or guardian. **Students must sign out in the school office before leaving and sign in upon returning.**
- Cars are off limits during the school day. Students should not go to their car between classes for any reason without permission of the administration. Eating lunch in the car is prohibited.
- Motorcycles are prohibited.
- Student vehicles may be subject to search and seizure as described in the Search and Seizure section of the handbook.

### **STUDENT INSURANCE**

In the event of a school-related injury, Cathedral Academy carries secondary insurance on each student. It is required that families carry a primary insurance policy on their children. Parents should file a claim with their primary insurance company first. Immediately contact the school office for the necessary forms to file with the secondary company.

### **STUDENT LOCKERS**

Lockers are school property and are assigned to students. Lockers are to be used exclusively by the assigned student and maintained accordingly. No personal locks may be used.

Lockers are school property and may be opened and searched at the Administration's discretion. Damage to any school property is not allowed. Fees may be charged for any damaged lockers.

### **PUBLIC DISPLAYS OF AFFECTION**

Public displays of affection between male and female students, as “boyfriends or girlfriends,” are not allowed. Couples should not be together unchaperoned at any place on the school grounds before, during, or after school.

### **SENIOR PRIVILEGES**

The Senior Privileges are just that: Privileges. Various privileges may be granted by the Administration, but violations of privileges may result in revocation. All senior privileges will be discussed with seniors and communicated to parents along with all responsibilities that go with them.

**PERSONAL PROPERTY**

- Students are to respect the property of teachers and other students. Students are not to enter a teacher's desk or office unsupervised.
- Students are urged to put their names on items that they bring from home, and students are discouraged from bringing valuable items or large amounts of money to school.
- Guns, incendiary devices, knives, or any other weapons may not be brought to school at any time. Fake weapons including water guns may not be brought to school without prior permission from administration.
- Skateboards, roller blades, skate shoes, go-karts, mini-bikes, etc. may not be used on school property at any time.
- CA is not responsible for the loss of personal items.

**SEARCH AND SEIZURE**

To maintain order and discipline on school property and at school-related events and to protect the safety and welfare of students and school personnel, CA has the right to perform unannounced searches and to seize contraband, and has the right to perform physical searches of students to determine whether they pose a danger to themselves or others. School administrators may search a student's pockets, purse, backpack, gym bag, other personal property, student lockers, desks, other school property, or student automobiles. Searches may be performed without notice, without consent, and without a search warrant. If refusal occurs, the student may be asked to withdraw from CA at the discretion of the administration. CA reserves the right to invite law enforcement officials and canines to search the premises at its discretion. If the search reveals a substance or object that may injure the student or other students, then the authorities may be notified. If illegal drugs are suspected, the school also reserves the right to require a drug-screening at the expense of the parents. Students may not possess any illegal substances or materials prohibited by school policy or state and federal law, including but not limited to controlled substances, drugs, drug paraphernalia, alcoholic beverages, empty or open alcohol containers, tobacco, guns, knives, weapons, or incendiary devices. All items deemed to be illegal, illicit, disruptive, or a general nuisance to the educational process may be seized. Storage, return, or destruction of such items shall be at the discretion of the administration, subject to legal impoundment.

All personal searches will be performed by at least two personnel at the same time and in a manner that is respectful to the norms of decency and the emotional maturity of the student. The student's parents will be notified of the search as soon as reasonably possible.
