IMPACT CITY FC AFTER SCHOOL – FAQ

What kind of equipment will my child need?

There is no equipment requirement. Roughly half of our participants change clothes and shoes, and half wear their school clothes and sneakers. Both will work great.

If my child is already enrolled in regular after school care will there be someone to take them to the appropriate spot when we are done?

If your child is enrolled in regular after school care it is not a problem for them to participate in Impact City FC After School program. When we are done our coaches will personally walk your child to their appropriate spot.

Who can participate?

Impact City FC After School program is available for boys and girls in grades K-6

How do I register?

The quickest and easiest way to register is scanning the QR code and completing forms through playmetrics

Can we come and watch?

Please do, we welcome parent viewing, and trust you will be pleased as your child participates.

Will my child have time to change?

Yes, the program typically starts 10 minutes after the final bell. This gives students time to make their way to the bathroom and water fountain before meeting the coaches at the designated spot.

How do you promote Character?

Each week we have a character trait. The character lessons are adapted from a publication called Heart of a Champion. Each coach shares the character trait, example athlete story, questions, and answers with the players.

Are the children broken into groups based on age or ability?

Children are initially broken into age groups (e.g., K and 1, 2 and 3, 4, 5 and 6). As our sessions progress we may move a few advanced players up an age group to facilitate their growth.

Is transportation provided?

No, programs are held on site directly after school. Parents are responsible for picking up their children at the designated spot promptly as programs end.

What if there is inclement weather?

• In case of inclement weather (including heavy rain, hail, lightening, unplayable field conditions, etc.) parents and school administration will be notified via email the day of outdoor programming. Ideally we move to available gym space on school property and our program continues at normal times so complete cancellations are not necessary.

• If either parents or administration has questions they should call 833.944.ICFC

• One cancellation date will be added on to our last week. (e.g., In a 10 week program the 3rd week is cancelled, that week will be added on to the end giving us an 11th week.)

Is this a team, will my child be playing against other schools?

No, this is not a team. Each week we focus on a new skill and the development of that skill. Every 5 weeks we will have a tournament among ourselves to assess what has been learned. They will not be playing against other schools.
